**IAEM 2018 will feature these exciting speakers—
You don't want to miss it!**

Mona Barnes

U.S. Virgin Islands EMA State Director will provide a first-hand look at the response and recovery from Hurricanes Maria and Irma as they swept through within days of each other in the U.S. Virgin Islands.

Frank DeAngelis

Retired Columbine High School Principal who worked at the high school during the mass shooting tragedy that redefined the Nation, tells a story from the events through the aftermath. His presentation reveals the leadership lessons learned from Columbine in the focus of an international firestorm and should be required reading for every leader in the Nation.

Rebecca Costa

A world renowned sociobiologist, futurist, and author of *The Watchman's Rattle* and *On the Verge*, Rebecca Costa, guides emergency practitioners through groundbreaking technologies used to forecast future outcomes with historic accuracy. According to Costa, emergency managers must embrace tools such as predictive analytics, blockchain, crowd-sourcing, drones, satellite tracking, etc. to pre-dapt!

Lt. Colonel Chris Kelenske

Specialized Services Bureau,
Michigan State Police
